## Timeline of Growth Events

Think about your life so far. Note events in the timeline that God has used to develop His character in you as far.

# Sometimes Pruning Hurts

God prunes us too. He shows us through His Word and through His Spirit what is not right in our lives and what needs to be thrown away. Look at the images below. Explain the difference in trees that are pruned while young and those that are not pruned.

What do you think happens to the fruit of trees that are not pruned? Draw it below & explain your answer.

God prunes us is through tests and trials. It's a way for Him to see if His fruits have matured in us. What are the fruits of the Spirit that God is trying to grow in us? Read the scripture & place one in each box below.

**Fruits of the Spirit**

**Gal. 5:15-19, 22-25**

What tests has God given you & what godly character strengths was it focused around maturing in your life? Record 2 examples.

Tests God Gave You	Character Trait He was Growing
